

Whatever you say, breaching is the safest means of door entry.

It's not safe, there's plenty of danger...

I don't really understand, but you're trying to do something dangerous, isn't it!?

わっ

What, Cocoa? It's not safe to stay there.

Stop egging her on, Chino!

sergeant?

Go ahead, sergeant.

Surely the threat of the unknown is of bigger concern than a certainty of explosion.

Oh well.

Done.

It's
Japanese
cooking.

I tried
to follow
Japanese
specifi-
cations!

I tried to
add my own
style to the
arrangement.

Japanese
cooking
?

"Specifi-
cations"??

it's more
surreal
than I
expected...
